#### THE WHITESIDEWALLS

~~~

5:00-6:30 THE STUDEBAKERS

THE WHITESIDEWALLS: Since their genesis over 40 years ago, the Whitesidewalls Rock 'n' Roll Revue has been the Midwest's ultimate 1950s and 1960s doo-wop and rock & roll show band with a loyal fan base that continues to grow and show support and love for The Whitesidewalls.

Featuring five singers playing multiple instruments, the tight harmonies and driving dance beat of the Whitesidewalls are the signatures of the Rock 'n Roll Revue. Hound Dog, Swanee, Gino Gambucci, Bobby Maestro and Rocky Beaumont have handcrafted a fabulous show that will have you jumping just like it did all those years ago!

This talented group of versatile artists from MN and WI performs for many thousands of people each year, demonstrating agile musicianship while putting on a great show. Come on out and see for yourself- you won't be disappointed!

FRI, JULY 15 @ 7:00 PM

#### **CHRIS HAWKEY**

~~~

5:00-7:00 CATTAIL MOON

CHRIS HAWKEY: This American guitar-driven rock band, led by Chris Hawkey has opened for acts such as Collective Soul, Counting Crows, Cheap Trick, Molly Hatchet, Quiet Riot and more.

The Chris Hawkey Band came together in 2004 in support of Chris' album Minutes to Memories and highlighting Midwestern rock and roll at its finest. "I grew up in the Garth Brooks era of bringing the show to the people," he explains, "I love it when I hear someone say my shows are high energy, that they're like a big party. When you're performing original music, you have to find a way to keep your audience entertained, and I think that's what I do best. I want to change people's lives, even if only for a chorus, a song, or an entire show. I want my audiences to be as happy and in love with the music as I am. If I can do that, then I'll be the happiest guy alive," says Chris Hawkey.

FRI. AUGUST 19 @ 7:00 PM

#### THE JIMMYS

~~~

5:00-7:00 CHARLIE & CHRIS

THE JIMMYS: Six-time award winning keyboardist, Jimmy Voegeli, leads Wisconsin's blues powerhouse, The JImmys. With a mix of blues, soul, R&B and gospel, The Jimmys bring a fresh, new sound to the blues world. The tight vocal harmonies and powerful horn lines by the Midwest's best horn section will transport you back to Motown. Add to that the deep pocket by an all-star rhythm section, and you have The Jimmys.

Named one of the Top 10 festival acts of 2015, members of The Jimmys have performed with such notable artists as: The Georgia Satellites, Hubert Sumlin, Clyde Stubblefield, The Glenn Miller Orchestra, Youngblood Brass Band, Davina and the Vagabonds and many others. The Jimmys bring the party wherever they go, and leave an infectious trail of fans. The Jimmys always make you feel like you're family. So raise a glass—come on out—and become part of it all!

#### WHAT IS IT?

Ransomware is a serious security threat that has data-kidnapping capabilities. It limits access to files or system functions, or even render systems totally useless. Then it forces victims to pay ransom to regain access to their files/systems.

It is becoming obvious that ransomware is a growing threat to our industry. It can be downloaded by visiting malicious or compromised websites, delivered by malware programs or sent as an email attachment. Once executed in the system it will search out certain file types to encrypt them while displaying a ransom note to the user.

How can you protect yourself from Ransomware?
